

Pomona Post

MERRY CHRISTMAS

A CHRISTMAS MESSAGE FROM OUR CHAIR

Kia ora Koutou

It has been a great year for the Pomona Trust. We haven't quite cleaned up all the rats on Pomona yet but the Trustees and volunteers have put in a sterling trapping effort this year and hopefully we will get zero numbers of critters in traps next year. Rona remains pest free. I would like to thank the estates of the Wright and Stannard families for two very generous bequests to the Trust. I would also like to thank Gary Chisholm and other donors for their generous financial and technical support.

Thanks to Reg and Jo Calder for their years of getting us out to Pomona on their water taxi. Welcome to Nick and Maree Key, the new owners of the water taxi business.

Thanks to all the volunteers and the Southland trailer yacht squadron

for all the hard yards grovelling up and down trap lines removing manky rats. Your labours are truly appreciated.

Have a great holiday over Christmas and we will be back on the islands in the New Year when the birds will be singing and the Rata flowering (hopefully).

Merry Christmas John Whitehead (Chair of the Pomona Island Charitable Trust)

*Our Christmas Kea
has been
out and about
on Pomona,
delivering presents
and
spreading messages
of goodwill*

MERRY CHRISTMAS

MERRY CHRISTMAS!
HAPPY NEW YEAR!
